We are thrilled to introduce our new twin Dahabiyyatt, Nonia and Nofret.

Nonia is named after the cherished "little spoiled girl" from ancient Egyptian tradition, embodying a sense of indulgence and charm.

Nofret, on the other hand, honors a noblewoman and princess from the 4th Dynasty of Ancient Egypt (circa 2613 to 2494 BC). Known for her elegance and beauty, Nofret was married to Prince Rahotep and her name, meaning "beautiful," reflects her esteemed status. She is also known as Nefert or Neferet, symbolizing her lasting legacy.
