In ancient times, the DWA was the root of the word "Dwat" (Duat), the starry realm where the Sun God Ra traveled every night. As Ra journeyed from west to east, he fought against Apep, the serpent of chaos. Each morning, Ra's victory over Apep brought the sun's light back to the world, restoring order and beginning a new day.

HESET RESTAURANT

Welcome to Hesat, a unique dining experience inspired by the ancient Egyptian goddess of nourishment and protection. In Egyptian mythology, she was said to suckle the pharaoh and even the powerful bull gods, symbolizing sustenance and strength.
